Coverage Period: 04/01/2024 – 03/31/2025 Coverage for: Family | Plan Type: POS

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.kp.org/wa</u> or call 1-888-901-4636. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.kp.org/wa</u> or call 1-888-901-4636 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Preferred providers: \$250 person/\$500 family. Non-preferred providers: \$500 person/\$1,000 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. Note: If you (and your enrolled spouse) fail to take steps to earn maximum HRA funding during the available time period, your <u>deductible</u> may be increased by as much as \$500 person/\$1,000 family.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> by <u>a</u> <u>preferred provider</u> , <u>home health</u> <u>care</u> , <u>hospice services</u> , vision and <u>prescription drugs</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at http://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In-network Medical: \$2,250 person/\$4,500 family Out-of-network Medical: \$4,500 person/\$9,000 family Overall in-network out-of-pocket	The Medical <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	limit on Essential Health Benefits: \$9,450 person / \$18,900 family	See Note above: Medical <u>out-of-pocket limit</u> may increase for the same reasons as the <u>deductible</u> above, by as much as \$500 person/\$1,000 family due to unearned HRA funding.
What is not included in the out-of-pocket limit?	Emergency room copays, premiums, balance billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the Medical <u>out-of-pocket limit</u> . However, expenses you incur for in-network essential health benefits will count toward the overall in-network <u>out-of-pocket limit</u> on Essential Health Benefits.
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.kp.org/wa or call or call 1-888-901-4636 for a list of network providers .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services

		(such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
