

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.kp.org/wa or call 1-888-901-4636. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.kp.org/wa or call 1-888-901-4636 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Preferred providers: \$250 person/ \$500 family. Non-preferred providers: \$500 person/ \$1,000 family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. Note: If you (and your enrolled spouse) fail to take steps to earn maximum HRA funding during the available time period, your <u>deductible</u> may be increased by as much as \$500 person/\$1,000 family.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> by a <u>preferred provider</u> , <u>home health care</u> , <u>hospice services</u> , vision and <u>prescription drugs</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at http://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	In-network Medical: \$2,250 person/ \$4,500 family Out-of-network Medical: \$4,500 person/ \$9,000 family Overall in-network <u>out-of-pocket limit</u> on Essential Health Benefits: \$9,200 person / \$18,400 family --Medical portion of limit: \$5,100 person/\$10,200 family --Prescription portion of limit: \$4,100 person/\$8,200 family	The Medical <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. See Note above: Medical <u>out-of-pocket limit</u> may increase for the same reasons as the <u>deductible</u> above, by as much as \$500 person/\$1,000 family due to unearned HRA funding.
What is not included in the <u>out-of-pocket limit</u> ?	Emergency room copays, <u>premiums</u> , <u>balance billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the Medical <u>out-of-pocket limit</u> . However, expenses you incur for in-network essential health benefits will count toward the overall in-network <u>out-of-pocket limit</u> on Essential Health Benefits.

Will you pay less if you use a network provider ?	Yes. See www.kp.org/wa or call or call 1-888-901-4636 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage. Note: These numbers assume the patient has completed HRA funding requirements listed on page 1 and earned credit of \$500.
