	<b>Delta Dental PPO #09136</b>	<b>DeltaCare #00405</b>	<b>Schedule Plan #09393</b>
<b>How it Works</b>	<p>This option requires you to choose from a list of dentists in a managed care network.</p> <p>Your reimbursement will depend on the providers contract with Delta Dental of Washington (DDWA):</p> <ul style="list-style-type: none"> <li>• <u>DDWA/Delta Dental Preferred (PPO) Providers</u>: Seeing a Preferred Dentist will provide the highest level of benefits and may provide the lowest out of pocket costs.</li> <li>• <u>DDWA/Delta Dental Participating Providers</u>: These Dentists provide a discount, but your benefits percentage is lower and may result in higher out of pocket costs vs. a Preferred Dentist.</li> <li>• <u>Non-DDWA Dentist</u>: If your Dentist is not Preferred or Participating, your benefits will be lower, and you may have higher out of pocket costs. Reimbursement is made based on maximum allowable fees, which may leave you with a higher patient responsibility.</li> </ul>	<p>DeltaCare is a dental HMO plan. This option requires you to choose from a list of approved dentists and clinics.</p> <p>You MUST choose a DeltaCare primary care dentist who coordinates all of your care, including any referrals to specialists. Under this plan you cannot just see any licensed dentist for treatment.</p> <p>A list of DeltaCare providers can be found at <a href="http://www.deltadentalwa.com">www.deltadentalwa.com</a>. Make sure you have a DeltaCare provider in your area before enrolling in this option.</p>	<p>This option allows you to see any licensed dental provider.</p> <p>Your reimbursement will depend on which network the provider belongs to.</p> <p>Benefits will be paid according to the schedule of allowances. If the treatment is performed by a participating dentist, the dentist may not charge more than their allowable fee. If treatment is performed by a non-participating dentist, dental charges in excess of the schedule will be your responsibility.</p>
