

Wellness Volunteer Application Form and Agreement

I understand that as a Wellness Volunteer my activities and conversations regarding the Sound Health & Wellness Trust's programs must be performed off work time unless my employer authorizes the activities to take place during work hours. I also understand that my role as a Wellness Volunteer is not as an authorized representative of the Sound Health & Wellness Trust. I will be a proud promoter of Sound Health & Wellness programs to others by participating in activities such as:

- ✓ Joining and actively participating in the Wellness Volunteers & Advocates Facebook group page
- ✓ Providing program information that your Wellness Coordinator sends you to post in your break room, announce at a meeting, etc.
- ✓ Promoting the Trust's programs when talking with your co-workers
- ✓ Coordinating healthy activities in your workplace
- ✓ Partnering with your Wellness Coordinator for special workplace activities
- ✓ Participating in wellness challenges when they are offered by your Wellness Coordinator
- ✓ Recruiting a co-volunteer at your work site
- ✓ Participating in Wellness Volunteer group meetings, conferences and touch bases with your Wellness Coordinator
