By law, your health information cannot be used to determine or deny health care coverage. Your health information is **completely confidential**, protected by federal law, and cannot be shared with the Trustees, your union or your employer without your permission. Please know that information on your health status and health conditions is used only by the independent service providers. You may be contacted by phone, email, or U.S. mail to let you know about and ask you to participate in a number of voluntary LiveWell programs that are relevant to your situation and health status. Visit www.soundhealthwellness.com and go to "About LiveWell" to find out more about these and other LiveWell wellness programs.
